This Policy was adopted at a meeting of the Woodham Mortimer Pre-School Committee

Date of Meeting
Next Review Date	January 2011
Signed on Behalf of Woodham Mortimer Pre-School
Name of Signatory	Kayte Terrett
Role of Signatory	Chairperson – Woodham Mortimer Pre-School Committee

- There are sufficient sockets to prevent overloading
- The temperature of hot water is controlled to prevent scalds
- Lighting and ventilation is adequate in all areas including storage areas

Storage

- All resources and materials from which children select are stored safely
- All equipment and resources are stored or stacked safely to prevent them accidentally falling or collapsing

Outdoor Area

- Our outdoor area is securely fenced
- Our outdoor area is checked for safety and cleared of rubbish before it is used
- Adults and children are alerted to the dangers of poisonous plants, herbicides and pesticides
- Where water can form a pool on equipment, it is emptied before children start playing outside
- All outdoor activities are supervised at all times

Hygiene

- We regularly seek information from the Environmental Health Department and the Health Authority to ensure that we keep up-to-date with the latest recommendations
- Our daily routines encourage the children to learn about personal hygiene
- We have a daily cleaning routine for the setting which includes play room(s), kitchen, rest area, toilets and nappy changing areas
- We have a schedule for cleaning resources and equipment, dressing-up clothes and furnishings
- The toilet area has a high standard of hygiene including hand washing and drying facilities and the disposal of nappies
- We implement good hygiene practices by:
 - ❖ cleaning tables between activities
 - ❖ cleaning toilets regularly
 - ❖ wearing protective clothing such as aprons and disposable gloves as appropriate
 - ❖ providing sets of clean clothes
 - ❖ providing tissues and wipes
 - ❖ ensuring individual use of flannels and towels

Activities and Resources

- Before purchase or loan, equipment and resources are checked to ensure that they are safe for the ages and stages of the children currently attending the setting
- The layout of play equipment allows adults and children to move safely and freely between activities
- All equipment is regularly checked for cleanliness and safety and any dangerous items are repaired or discarded
- All materials, including paint and glue, are non-toxic
- Sand is clean and suitable for children's play
- Physical play is constantly supervised
- Children are taught to handle and store tools safely
- Children who are sleeping are checked regularly
- Children learn about health, safety and personal hygiene through the activities we provide and the routines we follow

PROCEDURES

Awareness Raising

- Our induction training for staff and volunteers includes a clear explanation of health and safety issues so that all adults are able to adhere to our Policy and procedures as they understand their shared responsibility for health and safety. The induction training covers matters of employee well-being, including safe lifting and the storage of potentially dangerous substances
- Records are kept of these induction training sessions and new staff and volunteers are asked to sign the records to confirm that they have taken part
- Health and safety issues are explained to the parents of new children so that they understand the part played by these issues in the daily life of the setting
- As necessary, health and safety training is included in the annual training plans of staff and health and safety is discussed regularly at staff meetings
- We operate a No Smoking Policy
- Children are made aware of health and safety issues through discussions, planned activities and routines

Safety of Adults

- Adults are provided with guidance about the safe storage, movement, lifting and erection of large pieces of equipment
- When adults need to reach up to store equipment or to change light bulbs they are provided with safe equipment to do so
- All warning signs are clear and in appropriate languages
- Adults do not remain in the building on their own or leave on their own after dark
- The sickness of staff and their involvement in accidents is recorded. The records are reviewed termly to identify any issues that need to be addressed
- We keep a record of all substances that may be hazardous to health, such as cleaning chemicals, or gardening chemicals if used. The records state what the risks are and what to do if they have contact with eyes or skin or are ingested. It also states where they are stored
- We keep all cleaning chemicals in their original containers

Windows

- Low level windows are made from materials that prevent accidental breakage or are made safe
- Windows are protected from accidental breakage or vandalism from people outside the building
- Windows above the ground floor are secured so that children cannot climb through them

Doors

We take precautions to prevent children's fingers from being trapped in doors.

Floors

All floor surfaces are checked daily to ensure they are clean and not uneven, wet or damaged.

Electrical / Gas Equipment

- All electrical / gas equipment conforms to safety requirements and is checked regularly
- Our boiler / electrical switch gear / meter cupboard is not accessible to the children
- Fires, heaters, electric sockets, wires and leads are properly guarded and the children are taught not to touch them
- Storage heaters are checked daily to make sure they are not covered
