Activities at home

Dear Parents/Carers,

Below is our focus for the week beginning; 11th November 2013

Our Body

The areas that will be covered are;

Self portraits

Tally chart showing different hair and eyes colour

Investigating Skeletons; Our bones and other things that
have bones

Healthy Eating and what keeps us healthy

Exploring the 5 Senses

Planting Winter Pansies

If you would like to follow this up at home, here are a few ideas you might like to try; Make a tally chart of different hair and eye colour in your house. Bring it into pre-school and show us.

Talk about what things in your house have bones. Talk about what foods are healthy and maybe try new foods, let us know what you have tried at pre-school and we can talk to the children about it.
