# Activities at home

Dear Parents/Carers,

Below is our focus for the week beginning; 24<sup>th</sup> March 2014

## SPRING

The areas that will be covered are;

- ◆ Inviting the children to create a variety of spring related crafts, such a bottle printing flowers, lamb plates, chick plates, egg box flowers
- ◆ Looking at and Discuss the life cycle of a frog.
- ◆ Creating an information book about the life cycle of a frog.
- ◆ Invite the children to plant a bean and watch it grow.
  - ◆ Creating a card for someone special

If you would like to follow this up at home, here are a few ideas you might like to try: Pop into the garden and see what wild life you have and find out information on it. Such as the birds you see, you may even see a frog or butterfly. The library is always good to pop into to find information about wildlife. When your child has brought home a bean, talk to them about the changes you see when it starts to grow.
